BAHN

BAHN™ SADDLEBAG LATCHES

Bahn[™] Saddlebag Latches are crafted from premium-grade forged aluminum and are precision machined with distinctive features and styling to complement the rest of the Bahn line. These direct replacements for O.E.M. Harley-Davidson® latches install by reusing the stock hardware and also accept stock locking mechanisms.

HARLEY-DAVIDSON	Year	Finish	Mfg/N	P/N	Retail
FLH, FLT	93-13	Chrome	6947	505469	169.99
FLH, FLT	93-13	Tuxedo	6946	505468	169.99

BAHN™ SADDLEBAG HINGE COVERS

The perfect enhancement to elevate the redesigned lids on Harley-Davidson® hard saddlebags. Bahn™ hinge covers are forged and machined from premium aluminum, featuring hassle-free, bolt-on installation and require no modifications while reusing the stock hinge and locking mechanisms.

Available in chrome or black-anodized "Tuxedo" finishes

HARLEY-DAVIDSON	Year	Finish	Mfg/N	P/N	Retail

FAT BAGGERS, INC. POLICE BAG KNOBS

Go old school and replace your stock black hockey puck knob with this streamlined classic chromed billet aluminum police knob.

P/N Retail 400042 139.95

HARDBAGGER™ LOC-EZY SADDLEBAG THEFT DETERRENT KIT

Loc-Ezy is a simple do-it-yourself kit that securely mounts to the Harley® saddlebag on your bike frame, replacing the small factory 1/4 turn Dzus fasteners and thin wire U-Clips with steel threaded studs and heavy-duty mating threaded U-clips. A simple 15 minute installation and a small investment will protect both your bags and their contents. It also ensures that your saddlebag does not fall off your bike.

HARLEY DAVIDSON	Year	P/N	Retail

FLH, FLT	96-13	417868	27.95

JIMS® SADDLEBAG LATCH RIVET TOOL

Saddlebag latch replacement or tightening occurs often enough that Jims® has developed a tool specifically for this purpose. This tool provides secure fastening that results in a clean factory look. To top it off, our tool is substantially less expensive than similar tools.

Manufacturer's lifetime guarantee

· Made in USA

ARLEN NESS

ARLEN NESS ANGLED SADDLEBAG

Arlen's angled cut design gives you the ultimate look while providing maximum cornering clearance. Each saddlebag is stretched 5 in. longer than stock to cover your muffler from front to back and provide a stretched look. Injected, molded ABS provides consistent quality, superior strength and rigidity. Saddlebags have cutouts for dual exhaust applications. For custom applications with single exhaust or no exhaust exits, block off plugs are available separately.

Saddlebags are sold individually please order a right and left for each

HARDSTREET **HARDSTREET® PRO BUILDER KIT** WITH ALLOY TECH MULTIFIT BRACKETS Kit provides motorcycle enthusiasts with the same versatility that

custom bike builders have. This do-it-yourself package features the Hardstreet Classic Tour Bags, the AlloyTech multifit bracket package and all the hardware needed to produce a complete set of bags. The quality injection—molded fit and finish of the durable Cycra ABS plastic and the security of key-lockable fixtures, will keep your valuables secure from weather and mayhem.

- Multifit Brackets allow you to readjust or reposition later
- 2,400 cubic inches of volume per bag, plenty of space to store jackets, half-helmets and laptop
- Finished saddlebag dimensions: 9-1/2" x 22" x 12"
- Fits standard motorcycles: Dyna®, Fat Bob®, Softail, Fatboy® Includes:

Un-painted, un-assembled bags

All hardware

Optional reflectors to construct a right and left bag

Note: Pro Builder kits do not fit Victory Hammer and Jackpot. Slim Bags are recommended for these models.

Description	P/N	Retail

MUSTANG® HARD SADDLEBAGS

These flat-backed bags with recessed front corners for axle clearance are made of reinforced fiberglass and covered with our high-quality expanded vinyl. Bags and lids feature a rubber seal to help make the bags ultra water-resistant. The inside surface is lined with a durable felt-like material that is easy on the contents as well as the knuckles. Saddlebags are undrilled for a universal fit that will clear most exhaust systems.

- Bags measure 26" long x 15" high x 9" wide with a 21" x 9" opening
- Overall capacity is 1,960 cubic inches per pair (17 quarts each)
- Total weight of set is 40 lbs.

Note: Mounting hardware is not included.

NATIONAL CYCLE® CRUISELINER HARD SADDLEBAGS

Hard bags, though practical, need to look good on your cruiser. National Cycle achieves a tight fit with good looks in the styling of Cruiseliner™ Saddlebags. Easy-to-use, quarter-turn fasteners for no-tool removal of the saddlebags from the frame. Permanently attached lids are hinged in the front and swing forward for easy access to the interior. 1-1/4 in. tight-fitting seals conform to the shape of the lid to keep the elements out. A keyed push-button lock is recessed into the lid. National Cycle saddlebags are custom engineered for each motorcycle to exact specifications and are guaranteed to fit.

- For cruisers with no turn signal interference: Smooth-Back Saddlebags
- With recessed pockets for stock turn signals: Pocket-Back Saddlebags
- Cruiseliners[™] are painted gloss black and ready to mount or custom paint
- Bags and mount kits sold separately
- Mount kits include saddlebag mount frames, hardware and instructions

NATIONAL CYCLE® INNER DUFFLE BAGS

Inner duffel is stitched to conform to the inside cavity of hard saddlebags with room to spare. 600-denier polyester with a waterproof coating. Two-way zipper allows easy access in and out of the bag. Nylon web handles. Take your stuff along with you without having to remove the saddlebags from the bike.

P/N	Retail
551105	59.95

Quick release internal fasteners let you

install or remove the bags in seconds.

Naional Cycle® Cruiseliner™ Mount Kits

Cruiseliner Mount Kits are available in bright chrome-plate or black epoxy power-coat.

 Mount kits include saddlebag mount frames, hardware and instructions

HARDBAGGER™ BATTERY POWERED DOME LIGHT

Surface mount, battery energized lamp that requires no wiring or labor to install. 6-Volt circuit design greatly increases burn time and is great for use in Tour Paks® and trunks. Ultra-bright, high-output SMT LEDs. 150° light dispersion. Sealed switch and housing.

- Adhesive dual lock snap mount pads included
- Requires four AAA batteries not included
- One-year manufacturer's warranty
- Made in USA

P/N Retail 417634 20.95

HARDBAGGER™ 12-VOLT DOME LIGHT

Surface mount dome light with an on/off switch and battery fused wire harness assembly. The efficient circuit provides longer life and protection. Eight SMD-type LED array allows for a wider light dispersion angle up to 150°. Low-profile, sleek design promotes added application options. Trim bezels conceal mounting screws.

3M[™] high-temperature adhesive tape mount

 12-Volt in-line quick connect, fused, battery direct wire harness assembly

- One-year manufacturer's warranty
- Madé in USA

P/N Retail 417629 64.95

HARDBAGGER™ ROTO360 UNIVERSAL LED LIGHT

Makes a great low cost lighting solution inside hard bags or tour bags.

Light rotates 360° and tilts 45°

- Batteries included
- LED lights last 100,000 hours
- Magnetic base and Velcro® pad included for mounting
- Water- and shock-resistant
- Sold individually

P/N Retail 417625 10.99

BAGGER PARTS TOUR-PAK STORAGE RACK

Mounts confidently to garage wall or entryway and keeps kids and pets away. Uses existing detach hardware to lock it in place. Comes complete and is made out of 1 in. square tubing. Cross bars are made out of 1/2 in. solid round stock and the entire rack is powder-coated black. Tig-welded for strength and insured with product liability insurance from the manufacturer. Great for service mechanics, crowded garages and indoor storage.

KURYAKYN® QUICK ADJUST TOUR-PAK RELOCATOR

The first and only relocator to offer a full 4 in. of adjustability without the need for tools. Adjustments can be made without tools 1 in. forward to 3 in. back from the stock position, giving you and your passenger the ultimate in comfort.

 Fits L00-13 Touring models (exc. Trikes) with rigid mounted Tour-Pak including 09-13 CVO models or 97-12 Touring models with H-D® Two-Up or Solo Detachable Tour-Pak Racks (H-D®# 53276-04, 53260-02, 53276-09A, 53260-09A, 53246-09A) and a King, Chopped or Razor-Pak Tour-Pak

Note: Not compatible with amplifiers found on stock 08-earlier CVO Screamin' Eagle® models or included in H-D® Enhanced Sound System or Boom Audio™ products for 08-earlier models.

Not compatible with leather covered Tour-Paks. Will fit 98-E00 Touring models with rigid mounted Tour-Pak if the stock support tube has been replaced with the L00-08 support tube.

KURYAKYN®

KURYAKYN® RELOCATOR KITS FOR TOURING AND TRIKE TOUR-PAKS

Gain a few extra inches for going those extra miles; this handy kit moves the Tour-Pak® back 1, 2 or 3 in. to provide more room for your passenger. The added space increases comfort for the passenger and makes climbing on and off much easier, especially if the bike is equipped with a driver backrest.

HARLEY-DAVIDSON	Year	Mfg/N	P/N	Retail
FLH	14-17	8956	419695	149.99
FLH	09-13	8957	419696	149.99

KURYAKYN® PAD AND FILLER PANEL FOR QUICK ADJUST TOUR-PAK RELOCATOR

Now that you've moved your Tour-Pak® back, it's time to extend that seat a little to fill in the gap. Here's the answer that will install in just minutes using a simple hook-and-loop design.

Fits Touring models equipped with Kuryakyn® Adjustable Tour-Pak Relocator P/N 419379

HARLEY-DAVIDSON	Year	Mfg/N	P/N	Retail
FILI	07-13	5201	/1932/	20 00

KURYAKYN® RELOCATOR KIT FOR DETACHABLE TOUR-PAK

As designed, Harley-Davidson® detachable Tour-Pak® provides three positions: full forward, 1 in. back and 2 in. back. The relocator kit effectively shifts this range of adjustment back an additional 2 in. allowing to select a position 2 in., 3 in. or 4 in. back relative to the original full-forward position.

 Fits 97-08 Road King, FLHT, FLHX, FLTR models equipped with H-D® two-up or solo detachable Tour-Pak® racks (H-D® # 53276-04 or 53260-02) and King or Chopped Tour-Paks®

Note: Not compatible with Harley-Davidson® original detachable Tour-Pak® rack design (H-D® #53107-96). This style of rack has a tubular frame.

KURYAKYN

The added space makes things much more comfortable for the passenger and makes climbing on and off much easier, especially if the bike is equipped with a driver backrest.

Kit moves Tour-Pak® 2 in. to provide more room for your passenger
 Fits Touring models equipped with rigid mounted Tour-Pak®

Note: Compatible with the stock amplifier mounted under the Tour Pak® on Ultra Classics® but not with larger amplifier included in the Enhanced Sound System H-D® sells as an accessory stereo upgrade.

HARLEY-DAVIDSON	Year	Mfg/N	P/N	Retail
FLH	98-08	1559	496912	199.99

Highlight the tasteful look of the H-D® King, Chopped or Ultra Tour-Pak® and saddlebag lids. Swept styling looks great when combined with luggage racks and matching saddlebag trim. Besides the visual appeal, they also provide protection to the lid's top edges that are very susceptible to nicks and other damage.

 Fits 80-13 Electra Glide®, Road Glide®, Street Glide® Tour Glide and Road King® models equipped with King, Ultra or Chopped Tour-Pak®; 93-13 Touring models with hard saddlebags

• Sold in pairs

Additional lighting where it counts for a stylish, functional add-on just begging for attention. Designed as auxiliary Run/Brake lights for your saddlebags, these accents illuminate in red while these sculpted bodies add new definition to an otherwise plain area. Installation is accomplished using high-strength 3MTM VHB and plug-and-play wiring.

• Available in chrome with red lenses or gloss black with smoke lenses

Available in chrome with red lenses or gloss black with smoke lenses
 Note: 14-15 FLHTKSE CVO Ultra Limited, FLTRUSE CVO Road Glide Ultra
 and Road King models only support run and turn functions.

BURLY BRAND VOYAGER LUGGAGE LINE

Voyager Luggage Line for riders on the go looking for more stylish utilitarian luggage options. Finding storage on motorcycles has often been attributed to giant packs with bungees attached every which way; minimize the stress involved with trying to find room for riding essentials. Bare the elements with rugged 500 gsm wet waxed UV treated cotton canvas construction and leather paneling/straps that will age and show character over time.

NEW!

BURLY BRAND VOYAGER BACK PACK

The Burly Brand Roll Top Backpack is made of wet-waxed UV-treated cotton canvas as well as leather paneling for support that will age and show character over time. Featuring a fully padded interior with a partition for a 15 in. laptop, auxiliary port, Burly flannel straps, and leather exterior panels for support, it has just the right amount of storage for on-the-go with its roll top variable height snap closure. High-quality, moto centric speed buckles and zippers with metal Burly embossed button snaps and accents as well as an Anti-Flail Snap System keep everything right where you want it at speed. Large front zipper pockets provide the storage needed for loose items and keeping this your favorite bag to grab and go.

P/N Retail 070247 124.95

NEW!

BURLY BRAND VOYAGER TOOL ROLL

The Burly Brand Tool Roll is made of wet-waxed UV-treated cotton canvas that will age and show character over time. Leather securing straps and handle offer support and mounting points. The tool roll features an eight-pocket system in three widths to accommodate multiple tools (not included) and includes a catch-all zipper pocket for any of the small bits. High-quality, moto-centric speed buckles and zippers with metal Burly embossed button snaps and accents as well as an Anti-Flail Snap System keep everything in this tool roll secure. Lastly is the adjustable quick-release mounting system (works on handlebars, sissy bars or as a side frame mount), which means there are no excuses not to be prepared for whatever comes down the road.

P/N Retail 74.95

NEW!

BURLY BRAND VOYAGER TANK/TAIL BAG

The Burly Brand Tank/Tail Bag is made of wet-waxed UV-treated cotton canvas that will age and show character over time. It has an easy on, easy off magnetic system reinforced with safety securing D-ring anchor points for mounting. If you're riding solo or simply want the bag out of the way, it's equally at home on the tail and includes a tail mounting accessory flange that clips and cinches down on the back of your seat. It also includes a convenient magnetic removable map/accessory screen that sticks either directly to the bag lid or directly to the tank. The map screen is designed with an innovative stretch screen design to hold any variety of smart phones, small tablets, and even some GPS units. The bag features two exterior zipper pockets and a generous interior space with interior elastic sides. The bag also has a pass-thru port for motorcycle charging accessories so you can keep your smart phone, tablet or Go-Pro® powered up on a long ride. Park your bike and take the bag with you in seconds using the convenient carry handle; either directly off the tank, or via the four high-quality moto centric speed buckles that are part of the bag's "Anti Flail Snap System" on the tail.

TOUR PACK/TRUNK MOUNT

T-BAGS® DEKKER II

With its rigid construction, the Dekker II motorcycle travel bag always looks good on your bike. Its contoured top expands by 3 in. for an impressive maximum storage capacity of more than 2.6 cubic feet. With its five internal mesh pockets, two large side pockets and external organizer for tire gauges and maps, the Dekker II will keep you organized when you're on the road.

Built-to-last of fade-resistant, 1680-denier ballistic nylon with waterproof coating. Four quick-release mounting straps and eight bungee loop and D-ring tie-down points for added stability. Semi-detachable top carrying handle hides in a separate storage pocket. Reflective bungee bottom cover provides protection in any weather and added visibility.

Manufacturer's lifetime warranty

Dimensions: Expanded: 13.5" H x 27" W x 14" D including side pockets

Capacity: 2.6 cubic ft.

Mounts to: Luggage Rack

Note: Harley-Davidson® Premium Tour-Pak® rack required.

Dimensions	P/N	Retail
13.5" H x 27" W x 14" D	105070	249.95

T-BAGS® DAKOTA

Major capacity with rally functionality, the Dakota provides all the needed storage and organization for a multi-day ride and has removable, insulated side pockets that convert to his and her day packs.

Padded shoulder straps for easy off-bike carrying

Hideaway carry handle and bungee tie down points Triple-coated 1680-denier ballistic nylon body and YKK® zippers

Weatherproof fabric with UV fade-resistant coating

Includes reflective rain cover

Manufacturer's Lifetime Warranty

Dimensions: 11.5" H x 27" W x 12" D
Capacity: 2.3 cubic ft. (including backpacks and external pocket)
Mounts to: Luggage Rack

Note: Luggage rack required. Recommended for the large Harley-Davidson® Tour-Pak® luggage rack as bag bottom measures 26" W x 12" D. After installing the Dakota, be sure you have full use of your rearview mirrors for an unobstructed view behind you.

TOUR PACK/TRUNK MOUNT

T-BAGS® PET CARRIER

This bag was created by a friend's suggestion. Who knew so many folks wanted to take their best friends with them on the road? Pet safety and security is the top priority with this best-seller that features three ride modes closed doors with venting, secure mesh screens, or open air windows.

- Draw-bridge style side door opens fully for easy walk-in loading
- Foam-filled bottom with washable lamb's wool pad for comfort
- Two adjustable leashes
- Four security straps for stable mounting
- Patented mounting system fits most backrests 7-14 in.
- Also fits luggage racks and Tour-Pak® racks
- Firm sidewalls maintain shape even when empty
- Triple-coated 1680-denier ballistic nylon body and YKK® zippers
- Weatherproof fabric with UV fade-resistant coating
- Built-in backpack straps and carrying handle
- Manufacturer's lifetime warranty Dimensions: 12" H x 19.5" W x 9" D
- Capacity: 1.2 cubic ft. plus front pocket
- Mounts to: Rear Seat Luggage Rack

Note: This bag does not fit Passenger Backrest Pad (Indian® Part # 2879666-06 and Part # 2879666-02). Refer to your bike manufacturer's suggested maximum load. For sanitary reasons, we cannot accept returns on Pet Carriers.

KURYAKYN

KURYAKYN® GRANTHROW-OVER SADDLEBAGS

Throw-over convenience: mount or remove in seconds. No saddlebag supports or mounting brackets required. Collapsible hidden drink holders. Internal and external accessory pockets. Fully adjustable to fit almost any motorcycle. Expandable main compartment for extra space. Heat-resistant material on bottom of bag. Weatherproof construction and included rain cover. 1200-denier construction with leather accents for durability and style. Fits great on almost any motorcycle; full mounting options with turn signals mounted at the end of the rear fender or applications with smaller bullet style turn signals.

 Dimensions: 24 in. tip to tail slanted saddlebags, 12" H x 8.5" W (one end expands to 11" W)

Mounting Options:

- On top of passenger seat with slant forward or backward
- Under the passenger seat with slant forward or backward Note: Applications with larger turn signals mounted to fender struts may limit the number of mounting options. Depending on the specific mounting, these bags may limit access to passenger foot pegs.

Unzips from base to convert to a backpack

Base becomes a road map

FIRSTGEAR® LAGUNA GPS TANK BAG WITH BACKPACK

The Firstgear® expandable GPS Tank Bag with Backpack goes from bike to back in seconds flat. This convenient bag positions your GPS in front of you or collapses to hide it when not in use. GPS pocket is 6" x 4-1/4" to fit a wide range of devices. Additional clear window pocket on top of the bag for MP3 and cellphone. Grommets in each device pocket lead to loops inside the bag to route cables out of the way.

- Unzips from base to convert to a backpack
- Base can be used as a road map case
- Two large side pockets and small item pocket in rear
- Crafted from ultra-durable, 1680-denier nylon, coated with PVC and UV protection
- Light grey interior to aid in finding items in dim light
- Vertically expandable by 3 in.
- Attached, transparent waterproof cover stores in zippered pocket on the bottom front of bag
- Reflective piping to increase nighttime side visibility
- Attaches to bike with straps, magnets or suction cups
- Bottom of base unit and mounts constructed from non-abrasive, non-slip material
- Reinforced sidewalls for stiffness
- Ergonomic carrying handle
- Limited lifetime warranty
- Dimensions: 13" x 15" x 10", 1,950 cu. in.
 Expanded: 13" x 15" x 12", 2,340 cu. in.

Base expands for an additional 390 cubic inches.

FIRSTGEAR® LAGUNA MINI-GPS TANK BAG

The Laguna Mini-GPS Tank Bag converts into a waist pack, making it easy to keep essentials with you, on your bike and off. Made of heavy-duty, 1680-denier nylon with PVC coating and UV protection. Positions the GPS directly in front and collapses to hide it. Pocket for GPS measures 6" x 4" x 2" to fit a wide range of devices. Second compartment accommodates wallet, keys, mobile or audio devices. Grommets in each device pocket for running cables out or even between compartments.

- Attaches to bike with straps and magnets enclosed in non-slip material
- Detach bag from base and it converts to an adjustable waist pack
- · Limited lifetime warranty
- Dimensions: 7-1/2" L x 5-1/2" W x 7-1/2" H, 300 cu. in.

P/N Retail 107277 59.95

LUGGAGE

Attached rain cover inside a concealed zippered pocket.

Vertically expandable by 3

FIRSTGEAR® LAGUNA TAIL BAG

With its large capacity, further expandable by over 400 cubic inches, the Laguna Tail Bag keeps everything you need for a jaunt around town at your fingertips. Fabricated from RoadTex 1000-denier nylon with PVC coating and UV protection. Three external, easily accessible, zippered pockets. Reflective piping to enhance night visibility from both the front and sides. Soft flannel lining protects valuables with a movable partition for flexible loading. Zippered pocket inside of top cover for documents or other flat items and mesh lid.

- Large capacity, vertically expandable by 3 in.
- Attaches with built-in bungee cords
- Two lower flaps to ensure secure mounting to the bike
- Equipped with an attached rain cover inside a concealed zippered pocket
- Comes with a shoulder strap for off-bike transportation
- Limited lifetime warranty
- Dimensions: 16-1/2" L x 13" W x 9" H, 1900 cu. in.
- Expanded: 16-1/2" L x 13" W x 11-1/2" H, 2400 cu. in.

FIRSTGEAR® LAGUNA MINI-TANK BAG

This small, but mighty, bag includes many features found only in full-sized tank bags. Heavy-duty, 1680-denier nylon and 1200-denier polyester with PVC coating and UV protection. Transparent, waterproof map case with waterproof zipper. Double-zippered wide-mouth opening, so you can easily reach the contents. Light grey interior to aid in finding items in dim light. Zips away from the base.

- Base has transparent map pocket with zipper
- Shoulder strap for easy transportation off the bike
- Two side compartments and a change pocket
- Integrated, soft-grip, ergonomic handle for convenient carrying
- Heavy-duty magnets, suction cups and straps for three mounting options
- Expandable to increase capacity
- Base constructed of non-marring, non-slip material
- Carbon-look materials with super bright reflective piping

- Limited lifetime warranty
 Dimensions: 9-1/2" L x 12" W x 8" H, 900 cu. in.
 Expanded: 9-1/2" L x 12" W x 9-1/2" H, 1083 cu. in.

WILLIE & MAX® RAPTOR BAGS

These bags are all about stunning looks, clean lines and easy operation. They depart from the traditional roller pin buckle closure and step forward in saddlebag design with hook-and-loop securing tabs. There is a Raptor Saddlebag to fit any cruiser style motorcycle. The compact, standard and large slants offer the ability to pick the bag that perfectly suits the size and mounting configuration of your motorcycle.

WILLIE & MAX® GRAY THUNDER BAGS

The Gray Thunder Series of saddlebags, tool pouch and sissy bar bag has set a new standard in motorcycle luggage. A distinctive iron gray trim highlights the rich black synthetic leather. The bags maintain a neutral presence, while displaying their exciting, fresh good looks. All of the Gray Thunder bags are reinforced with plastic for better shape retention. Willie & Max have used bright nickel chrome plated brass studs, a 3 in. silver eagle and the three strand braid to accent these bags. Mounting is achieved by using the supplied cable ties or laces. The tool pouch is attached with a hook-and-loop strap for a strong, reusable connection. The sissy bar bag uses an easy tie-on lace system.

WILLIE & MAX® BLACK MAGIC BAGS

AMERICAN CLASSIC SADDLEBAG

Dimensions

14-1/2" W x 11-1/2" H x 5-1/2" D

The Black Magic Series of bags is one of the most luxurious in our line. These bags have everything: rich black synthetic leather, highlighted with deep-grained synthetic leather, three-strand braid and a large 3 in. gold and silver eagle. All of the Black Magic bags are plastic reinforced for greater shape retention. The bags are closed with genuine roller-pin buckles and internal snap flaps offer security. The saddlebags are secured by either heavy-duty cable ties and/or laces, both included. The tool pouch is secured with hook-and-loop straps and the sissy bar bag mounts with the easy tie-on lace system.

402 2017 BIKER'S CHOICE CATALOG

WILLIE & MAX® BRAIDED BAGS

The Braided Series of bags convey a subtle elegance that has no equal. These bags are styled to give you just enough refinement to offset the rugged good looks of your bike. Three-strand braiding trims the rich black synthetic leather. Genuine roller-pin buckles and internal snap flaps add security. The Braided bags are internally reinforced with plastic to maintain their shape. All of the saddlebags install with either cable ties or laces, our sissy bar bag attaches easily with the supplied laces. The tool pouch has a reusable hook-and-loop strap for security and convenience.

COBRA® SADDLEBAG GUARDS

Formed from solid steel that's been laser cut to shape. The metal is then formed for a custom fit, polished then chromed for a truly one-of-a-kind look. It functions to keep your soft bags off the paint and away from moving parts.

HARLEY-DAVIDSON	Year	P/N	Retail
FXST, FLST	00-16	631054	79.95
XL	04-16	631048	79.95

COBRA® LUGGAGE RACK

Bolt-on a strong and good looking luggage rack to the existing Cobra® Sissy Bar. Made of sturdy steel tubing and designed to bolt-on in minutes. Built for the person who wants the best, with no hassles or headaches on the open road.

• Made in USA

P/N	Retail
083500	159.95

COBRA® FORMED LUGGAGE RACK

Bolt-on a strong and good looking luggage rack to the existing Cobra® Sissy Bar. Formed from a single sheet of steel that's been laser cut, then chromed and polished to a deep finish. Same great Cobra® rack, just with a different look. Lots of cutouts for attaching bungee cords. Highly polished for a more custom, though still functional look.

Made in ÚSA

P/N	Retai
080963	139.95

KURYAKYN® FOLD DOWN LUGGAGE RACK

Just pull down the folding luggage rack when you need to strap down a travel bag. When not in use, the rack hinges back up against the backrest, conveniently out of the way. Includes everything needed for installation.

 Fits all Sportster, Dyna, Softail models equipped with H-D® sissy bar upright H-D®# 52735-85
 Note: Sissy bar pad not included.

KURYAKYN® PREMIER LUGGAGE RACK

Streamlined and three-dimensional. Black rubber inserts contrast the bright chrome finish and also provide a slip-resistant surface. With front to back adjustment you can position this rack exactly where you want.

- Universal fitment for aftermarket backrest meeting the following criteria: sissy bar to side strap mounting bolts 1/4"-20 with 1-3/16" to 1-5/16" center to center spacing; inside width between side straps must be 5-5/8" to 6" or 7-1/4" to 7-1/2" or outside width of side straps must be 5-3/8" to 5-5/8" or 7" to 7-1/4"
 Fits all Kuryakyn® Side Straps and Sissy Bars (exc. Transformer Backrest P/N 496063); 84-15 Softail models (exc. 00-07 FXSTD; 06-15 FXST, FXSTB, FXSTS; 07-15 FXSTB, FXSTS)
- Fits all Kuryakyn® Side Straps and Sissy Bars (exc. Transformer Backrest P/N 496063); 84-15 Softail models (exc. 00-07 FXSTD; 06-15 FXST, FXSTB, FXSTS; 07-15 FLSTF, FLSTFB, FLSTSB, FXSTC) with stock or accessory H-D® rigid or detachable side plates; 91-13 Dyna models with sissy bar uprights mounted on H-D® rigid or detachable side plates; 82-15 Sportster models with sissy bar uprights mounted on H-D® rigid or detachable side plates
- Note: Installation requires a pre-existing backrest with 1/4"-20 mounting bolts with backrest that bolts to side mounting plates for installation.

KURYAKYN® LUGGAGE RACK

Now you can have a convenient place to secure your luggage without cluttering up the clean lines of your bike. This sleek, contoured, die-cast rack is beautifully chrome-plated. Incorporates raised rubber inserts to protect the surface and keep the load from shifting. The rack has approximately 70 square inches of useable area providing a stable platform for most bags.

Installation instructions included

Note: Installation requires relocation of license plate when used on Road King, Road Glide or FLHT Standard. This can be accomplished by adding a Curved Fender Tip License Plate Mount (P/N 496791), Bullet Light Rear Turn Signal Bar (P/N 496915) or Custom Rear Turn Signal Bar (Mfg/N 2099) all sold separately.

KURYAKYN® MULTI-RACK ADJUSTABLE TRUNK LUGGAGE RACK

Designed to fit virtually any tour trunk thanks to the ingenious adjustable mounting stand offs, this luggage rack can conform to any trunk lid whether flat or curved. Features include a chrome 1/2 in. tubular design that allows the use of any common flag holder if desired, as well as handy built-in corner loops to keep your luggage secure.

- Also included in the kit, a pair of mounting extensions for trunk lids with a steep downward rear swoop or with a trunk lid spoiler installed
- Dimensions: 21"W x 12"L
