

ROLAND SANDS DESIGN® ENZO SEATS

Inspired by high performance automobiles and fine leather craftsmanship of the old world, the Enzo seat in distressed brown and distressed black gives you a high level of detail without going over the top. The use of both colors helps to minimize the look of the seating area giving an illusion of a solo on a true two up seat.

- · Direct bolt on
- Ergonomic shape keeps rider seated firmly and comfortably
 Comes in two styles, black distressed vinyl with distressed brown raised detailing and black distressed vinyl with raised detailing

1 Exc. 4.5 gallon tank

ROLAND SANDS DESIGN® PASSENGER SEAT With the Bagger Pillion the goal was to build a removable passenger pad that looked as good as the solo unit. The pillion flows with the lines of our solo seat and turns it into what would normally be a stylish 2-up seat, but with the bonus of being able to remove it when you're rolling solo.

· Made in USA

MUSTANG™ DAVE PEREWITZ SIGNATURE SEAT SERIES

A legend was born when Dave Perewitz built his first bike in 1973. Since then, Dave's artistry and skills have earned him a worldwide reputation in building custom-designed bikes. Dave continues to lead the pack with iconic style, legendary master craftsmanship and a deep seated passion for his work.

One of the America's original custom builders, Dave is proud of his New England roots. Perewitz Cycle Fab is located in Bridgewater, Massachusetts, which is just an hour or so from Mustang in Three Rivers, Massachusetts. Dave and all the team at Mustang have worked closely together to create the all new Perewitz Signature Seat Series.

MUSTANG™ VINTAGE SEATS FOR FREEWHEELER

Feel the freedom of Mustang comfort on the FreewheelerTM. This seat was designed with FreewheelerTM riders firmly in mind. The clean look and feel of the expanded vinyl cover and detailed automotive-inspired stitching has to be experienced first-hand. With Mustang's marine-grade fiberglass pan and all-day-comfort foam supporting you in the ideal cruising posture, you can ride your FreewheelerTM all day, every day. This seat also features a front bucket drain hole and built-in driver backrest receiver.

· Made in USA

Note: Matching driver backrest P/N 489410 sold separately. Will not work with a frame-mounted driver backrest kit.

MUSTANG™ DELUXE TRIKE SEATS

Get the most comfort and style out of your Tri Glide® Ultra Classic and Street Glide Trike with our Trike Deluxe Touring seat. Exclusively designed to fit the 09-17 Tri Glide® Ultra Classic and 10-11 Street Glide Trike, Mustang's Trike Deluxe Touring seat will also fit and nicely complement all other 08-up FL Touring models. The 19 in. wide front seat sets the rider back 1.75 in. compared to the stock seat; plus it angles the body for long-distance comfort. The 14 in. wide rear seat provides support across its full width and keeps the passenger firmly in the comfort zone. Styled after state-of-the-art automotive interior designs, the seat features exquisite stitching detail and a front bucket drain for rainy days. The receiver for the optional, removable driver backrest is built into the baseplate.

Made in USA

• Will not work with Mustang or Harley® frame-mounted backrest kits

MUSTANG™ WIDE TRIPPER SEAT WITH DRIVER BACKREST **FOR TOURING MODELS**

Style meets comfort with this latest edition to the Tripper™ line of seats. The Wide Tripper™ offers a full 14 in. width for the driver and an 11 in. wide passenger seat and features a sleek design accented with detailed stitch work. Never before has such a low and lean seat been available that feels this good for both the rider and passenger. The driver backrest is totally adjustable and easily removable, and is built into the seat.

Mustang's new one-piece Super Touring moves the rider back approximately 1 in. back from stock. The 19 in. wide driver seat provides maximum comfort and support. The 14 in. wide passenger seat enables both riders to enjoy maximum comfort. The seat is contoured to better clear the saddle bag lids and is split to accept the stock or Mustang driver backrest kit. This seat is a vintage style with no studs.

MUSTANG™ WIDE SUPER TOURING

Mustang's One-Piece Touring seats feature a deeply pocketed, wide driver seat that provides ample support. The rear seat extends forward over the driver's bucket for additional back support. The Wide Vintage features a no-frills look and the front bucket has a full skirt with braided edge trim. Although Mustang Dyna seats fit all models, the "Wide Glide Only" seats are 2 in. longer in the rear for the best possible fit.

MUSTANG™ LOWDOWN SOLO SEATS FOR TOURING MODELS

Riders asked—Mustang listened. Now solo riders can be lower on their 2009 and later FL Touring without compromising long-distance comfort. The LowDown™ Solo's 13 in. wide bucket is shaped and angled for optimal touring posture on the go, but it also drops you from stock position on most models, and is cut narrow at the front, so you can plant your feet firmly on the ground at a stop. Pair it with a Mustang passenger seat if you want company, or run it solo to go it alone. Comes with our mini-bib 78064 for a complete custom look and includes our 78032 slotted mounting nuts. Mustang's fully adjustable backrest offers more features than any other brand.

MUSTANG™ SUMMIT SEAT

Both you and your passenger will experience the peak of comfort with the Summit Super Touring seat, designed for the 2014 Rushmore line. The one-piece super comfortable touring design provides the rider and passenger with the fullest, most comfortable seat possible. The 19 in. wide Super front bucket sits the driver 1.75 in. further back than the stock seat. The passenger seat is a full 16 in. wide and fits perfectly with the Rushmore speakers and Tour-Pak. Seat will fit with a handrail. Will not work with Harley Davidson® or Mustang Driver Backrest kits. Receiver for the optional driver backrest is built into the seat. All heated seats come complete with a wire harness that hooks to the accessory port in front of the battery. This part is energized only when the ignition key is turned on and the accessory toggle switch below the handlebars is flipped up.

 Heated models feature dual zone high/low settings for driver and passenger on the left side of the seat and illuminated switches

• Heated seats do not require any O.E. controllers or switches to function

Made in USA

Note: Installation of heated seats on 2014-up FL Touring requires use of Harley adaptor 69200722. If the accessory port is already in use, install Harley adaptor 70270-04 to add additional ports.

MUSTANG™ THROWBACK SEAT FOR SPORTSTER

Mustang is celebrating their 35th anniversary of comfort and innovation by bringing back a look from yesteryear. The ThrowBack™ style fits Sportster models 2004-up and will make you nostalgic for fifty-cent burgers and dollar-a-gallon gasoline. Mustang used their 21st century seat-building technology to bring this old style forward into the present, including their proprietary foam formula and a steel-reinforced, marinegrade fiberglass baseplate. The 10 in. wide driver area and 6.5 in. wide passenger seat feature the handcrafted look you've come to expect from Mustang, finished off with an intricate diamond-stitched pattern and covered buttons.

- Front Width: 10 in.
- Rear Width 6.5 in.
- · Made in USA

Note: Will not fit with a sissy bar or rack.

LE PERA™ NOMAD II SEAT FOR TOURING MODELS

Original, unique, just plain bitchin. This killer seat is yet another completely new design. The side "slashes" are obviously the design stand out here. These 'slashes' play off the lines of the tops and sides of the bikes hard bags, creating a bad ass, low sleek custom look for rider and passenger. By no means is the Nomad II a full on cross country touring seat but rest assured, most will find it surprisingly comfortable for its outrageous look.

- Another true original from Le Pera™
- Driver seat area is 12.5 in. wide, passenger is 7.25 in. wide
- · Made in USA

HARLEY-DAVIDSON	Year	P/N	Retail

LE PERA™ MAVERICK SEAT

The Maverick has become the touring seat of choice for bike enthusiasts worldwide. The Maverick never overwhelms the lines of the bike like so many touring seats on the market. You will find the Maverick's clean lines and deep sculpted bucket create an unbelievable amount of back support for the driver. We can't tell you how many riders have thought they needed a built in backrest; only to find the Maverick was all they needed.

- Tapered thigh area for stop and go ease

LE PERA™ SORRENTO SEATS

The Sorrento is a fusion of Silhouette style and Maverick comfort. The entire seat has been shaved down for a flowing profile. Overall width is similar to the dimensions of the Maverick. Low, sleek style retains back support for maximum comfort. Molded one-piece foam base covered with premium vinyl on a 16-gauge powder-coated steel base plate. Seat bottom carpeted to protect the fender.

LE PERA™ STUB SPOILER SEAT

The Stubs Spoiler takes the killer cafe style to new heights! Think of it as a cafe seat gone rock n' roll. The bitchin kicked up tail section is highlighted by speed stripes and color contrasted pleats. All of this in a tight, slammed package that shows off, not hides just how perfect the stance of your bike is. This seat needs to be seen in the flesh to fully appreciate just how killer it really is.

- Speed stripes and stitching available in a variety of colors
- Pillion not available
- Made in USA

Note: There will be a 1.5 in. gap between the seat and the tank on all 3.3 gallon tanks.

BURLY BRAND BRAT SEATS

Inspired by the Japanese take on custom Sportsters and given a little of our own flavor.

- Narrow and compact
- Available in solo or two up in a hand sewn, ribbed or diamond pattern using a high density foam
- Thick fiberglass pan and the entire unit is made in the USA
- Straight bolt on and applications are available for 1996 thru 2003 Sportsters
- Made in USA

The Sportster based Café Racer has become a style in its own right, taking the classic look to new levels and doing it with a magic only a Harley can bring to the table New Solo tail completes the Cafe package on your 86-14 Sporty.

- Available in partially covered with paintable black gel coat
- Gel insert in the seating area for maximum comfort
- 2007-2009 includes brackets to support ECM
- Will require removal of fender struts and relocation of O.E.M. lighting
- Made in USA

Includes: 1 Black vinyl seat with fiberglass tail section (not for passenger) 1 5/16 in.-18 x 1 in. flange head bolt

FAT BAGGERS, INC CHARITON, IOWA. After Before 400551 400552 400554 400556 400557 400558

FAT BAGGERS, INC. STANDARD AND NARROW DROP SEATS

Standard and Narrow seat options available for riders of all sizes. Standard Drop
Seats are recommended for riders approximately 5'7 in. or taller. Narrow Drop Seats are designed for riders under 5'7 in. who need to sit closer to the ground for better footing and control of their bike. The Narrow Drop Seat also bumps the rider forward 2 in. for better reach.

Total bolt-on kit-no welding or cutting involved

Note: Frame kits sold only as complete (a seat and side panel kit must be ordered with each frame purchase). ABS brake models require an additional purchase of ABS Brake Manifold Relocation Plate, P/N 400544, models with saddlebag rail guards require Saddlebag Rail Caps, P/N 400560. Trained professional installation recommended.

PRO PAD SHEEPSKIN GEL SEAT PADS

A short nap transforms these from a normal feel to luxurious (think mink fur). Real sheepskin. Combine that with the Pro Pad polymer and you have the ultimate in comfort for your ride. Small pad is designed for rear pillion pads. Medium pad is designed to go over the stock rear seats found on Road Kings, Glides and Softails. Large pad is designed to go over the stock front seats found on Softails and other mid-size cruiser bikes. SuprCruzr pad is designed to go over the large stock seats of larger cruiser bikes such as the Classic or Road Kings.

PRO PAD DIAMOND MESH SEAT PADS

In the war against numb butt, the Quilted Diamond Mesh Pro Pad should be your weapon of choice.

- Offers more coverage over those large rear touring seats and for the rider on Cruiser bikes
- In some cases, the motorcycle gel pad may overlap the edges slightly increasing the width of seat, which increases passenger comfort
- Micro spacer fabric provides a neutral temperature seating surface Quilted, Diamond Mesh material with foam backing is breathable and adds to comfort
- This motorcycle seat pad has Pro Pad's 1/2 in. thick medical grade polymer gel insert inside to reduce vibration while supporting the rider
- Cutout in polymer insert reduces pressure on the tailbone
- Improves the ride by fighting off rear end fatigue
- Seat pad has non-slip bottom and comes with straps
- 2-year manufacturer's replacement warranty against defects
- 30-day money back guarantee
- Black

631258

NEW!

COBRA® DETACHABLE BACKREST

The Cobra detachable back rest used a proprietary mounting system that works with the standard H-D® docking kit. Should you need to start from scratch, you can purchase our docking kit that bolts to the stock bike. In either case, the back rest is easily removed and installed. Available for H-D® Baggers.

631233

NEW!

COBRA® DETACHABLE LUGGAGE RACK

This detachable rack works seamlessly with our detachable back rest. Using the same proprietary release mechanism as the back rest, it can be installed or removed in a matter of seconds. However, it can be used with or without our detachable back rest but requires either stock or Cobra docking hardware kit.

HARLEY-DAVIDSON	Year	P/N	Retail

2017 BIKER'S CHOICE CATALOG BIKER'S + CHOICE

BURLY BRAND SISSY BARS

070673

Call it a sissy bar, back rest or chick stick, we really wanted one for a recent Sportster build and all we could find was square tube, multipiece monstrosities capped with a giant pillow. It didn't take long to decide to build our own. The Burly Sissy Bar comes in a 13 in. short version with no pad and a 20 in. tall version that includes a compact pad. Classicstyled, one-piece sissy bar mounts to outside of fender rails for simple installation and removal.

- Late model Sportster applications
- TIG welded here in the good old USA

STUDDED & CONCHOED PAD

PILLOW PADS

VINTAGE PADS

STUDDED PAD

MUSTANG™ SISSY BAR PADS

Pads will fit all Harley-Davidson® and aftermarket bars with welded insert plates or with no center insert at all.

- Perfect match to a new Mustang seat
- All pads feature two chrome straps but only 9 in. tall pads have a threaded center hole for blind mounting plus the optional top bracket
- Pads mount with three chrome screws and a triangle mounting plate
- · Made in USA

Note: Pads do not fit Road King and FLHT sissy bars or bars with die-cast, bolt-in inserts.

- · Height: 6 in.
- Width: 5 in.
- Surface Texture: Pillow
- Mfg/N 78008
- Sold as a pair

P/N Retail 488022 10.00

MUSTANG™ OFFSET DOUBLE BACKREST TONGUE

Mustang's Offset Driver Backrest Post is available for riders looking to move back away from their handlebars and gas tank. This post replaces the standard driver backrest post in all Mustang solo seats that have the built-in driver backrest unit. It has all the features of our standard driver backrest but allows the driver to lean back 2 in. further. Offset posts can be used with most Mustang solos with the driver backrest slot. It can also be used with most of Mustang's recessed passenger seats, but might interfere slightly with the front end of other Mustang rear seats. This offset post cannot be used in any of the Mustang frame-mounted driver backrest kits that are made for the Harley-Davidson® FLHT, FLTR and FLHR models. It is not recommended for seats on which the driver backrest is built into the passenger seat like the Harley-Davidson® V-Rod.

KURYAKYN® REMOVABLE BACKREST BRACKET

Allows flexibility to go solo or buddy-up in minutes. Bolts on existing pre-drilled factory holes on fender (certain models require one hole to be drilled behind the driver seat). Can be installed or removed in less than five minutes. No paint damage due to installation or removal. Allows solo riders to mount a T-Bag.

- Mounts to rear fender
- Laser cut, triple chrome-plated, one-piece construction
- Sissy bar and backrest pad (P/N 491387) sold separately
- Made in USA

Note: Will work with sissy bars for FXR or Dyna models. Manufacturer recommends sissy bar height not exceed 10"

KURYAKYN® TRANSFORMER BACKREST WITH FOLD DOWN LUGGAGE RACK

Even the Moonshiners would be jealous of this backrest with hidden fold-down luggage rack. Literally fold down the inconspicuous luggage rack right out of the backrest when needed and hide it away securely with the integrated thumb nut when you don't. Your passenger is happy, you can always bring your things and your bike looks awesome.

 Mounts directly to the required Küryakyn Quick Detach Side Straps

KURYAKYN® MULTI-PURPOSE BACKREST

Introducing the first, truly multipurpose backrest and luggage rack system only available from Kuryakyn. Once installed, no tools are needed for adjustments, making the switch from rider to passenger backrest a snap. Full adjustability will help you enjoy those longer rides and with the incorporated luggage rack, carrying all your stuff just got a whole lot easier. Truly multi-purpose -- provides driver or passenger backrest along with a convenient luggage rack that can be used in either position. Sturdy aluminum main frame, steel folding luggage rack with rubber inserts and comfortably padded backrest. Extremely versatile - backrest converts from driver to passenger without tools in seconds. Backrest pad is fully adjustable via stainless sliding rods with push-button locks and knurled threaded knobs.
