HOPNEL™ CLASSIC FAIRING POCKETS

Hopnel's popular Deluxe Black Classic Fairing Pockets are now available as a pair to satisfy those Harley® FLH and FLT Lower Fairing Pocket users. The Black Classic double layer design brings back the stylish classic look of yesterday. These Deluxe Black Classic Fairing Pockets measure a generous 4-1/2" x 6" x 2" with an internal mesh pocket to allow additional secure storage. Hopnel's EZ Mount system attaches a permanent EZ Mount clip to the fairing that allows the pouches to be removed with a twist to store or transfer to your belt with an included Mfg/N H50-01BLT EZ Mount Belt Holder. This is an ideal fitment for the 2014 and newer Harley FLT and FLH Lower Fairings. Can also be used on the GL1800 fairing pockets, or any flat surface.

HOPNEL™ WINDSHIELD DUAL POUCHES

Hopnel introduces their popular black classic look to these must-have dual fairing pouches. Get convenience with these well placed pouches that add a dash of flair and a touch of chrome to your fairing. Pouches mount to the windshield mounting bolts and are further secured by the compression between the windshield and fairing. Measuring 4-1/2" W x 3" H x 1-1/2" L, these pouches are a perfect place for garage buttons, phones and other smaller items you want readily available. The dual pouch design also allows air to pass through the new vented H-D® fairing unobstructed. Pouches also come with two large pieces of hook and loop attachments to allow further securing, pieces can be placed at your preference to provide optimal positioning of your pouches.

- Sold as a pair for 96-up FLH models

HARLEY-DAVIDSON	Year	P/N	Retail
FLH, FLT	96-16	411561	39.95

KURYAKYN

KURYAKYN® TRADITIONAL 3-POUCH FAIRING BAG

More space than the average fairing bag. Pockets are large enough to accommodate items such as iPods®, cellphones or any other gadgets. Constructed from PVC leather. Pockets are easily accessible with magnetic closures.

- Includes all mounting hardware
- Dimensions: 20"W x 2-3/4"H x 3"D, middle pocket measures 9-1/4"W x 2-3/4"H x 3"D
- Fits H-D® traditional Batwing fairing on H-D® Touring models, Kuryakyn® AirMaster fairing and Sportech fairing

Note: Works well with Kuryakyn® Inner Fairing Accent P/N 419051 (Mfg/N 3766) or H-D® Fairing Dash Pad H-D® #58262-05.

NEW!

HOPNEL™ WINDSHIELD TRI-POUCH

Hopnel™ has updated their venerable Windshield Tri-Pouch Systems with an all new "digital buddy" pocket. This new Tri-Pouch incorporates a large 7" x 4" clear cellphone pocket on the generous 8" x 4" x 2" center compartment. Cellphones, MP3 Players or other devices load from inside the sleeve keeping rain out and devices dry. The clear UV-stabilized surface allows easy screen reading and will hold up in the toughest environments. The two end storage pouches are 4-1/2" W x 3" H x 1-1/2" D. Made from Hopnel's hand-selected marine grade vinyl, these Tri-Pouches will not wear out and each pouch is held closed by convenient hook-and-loop.

**KURYAKYN® AIRMASTER DRAGON WING VARIABLE AIR DEFLECTORS**

An easy replacement for the stock wind deflectors found on Ultra Classics are the perfect upgrade for any FLHT. Large surface area helps to direct airflow better than other designs. Close the wing vane to guide airflow around the fairing for reduced turbulence during cool weather or open them for a refreshing breeze on those scorching hot days. Adjust to any of four different positions by hand via a spring-loaded mechanism.

- Shatter-resistant polycarbonate construction
- Available in dark smoke or reflective smoke
- Fits 96-13 Electra Glide, Street Glide, Trikes and Kuryakyn AirMaster Fairing
- Sold in pairs

KURYAKYN

KURYAKYN® SIDE WINDSHIELD TRIM FOR ROAD GLIDE

Enhance the transition from windshield to fairing on 2014-later Road Glide® with our chrome or gloss black side and center windshield trims that provide a clean, smooth-flowing appearance. Choose the side trims only, or complete the look with the center trim for full coverage. Made from lightweight injection-molded ABS, installation of the gloss black trim pieces reuses O.E.M. hardware while the chrome versions come with stainless steel replacement screws.

KURYAKYN® AIRMASTER WINDSHIELDS

Kuryakyn is fired up to offer this top-quality, custom windshield for H-D® Touring Models and AirMaster Fairings. This high-end windshield is custom-formed from premium materials using a proprietary process. Crown your bagger with the coolest windshield available in sinister Zombie™, smokin' hot Flame™ and menacing Catacomb designs. Manufactured from premium quality, hard-coated polycarbonate. Unlike acrylic, polycarbonate will not crack or shatter upon impact. Graphics are screen printed with proprietary inks making the images unbelievably sharp and durable at the same time. Note: Windshields are opaque, take into account that you must maintain a clear line of sight over the windshield. The windshield should not obstruct your vision in any way.

KURYAKYN® WINDSHIELD MOUNTED MIRRORS

Sleek design blends a classy chrome windshield accent strip with gracefully curved arms to support the mirror heads. Convex glass turn signal or ellipse mirror heads are positioned just above the upper edge of the fairing to provide great rearward visibility. By choosing turn signal mirror heads, you'll add auxiliary forward facing running and turn signal lights.

- Fits Kuryakyn AirMaster® Fairings

DEAD CENTER CYCLES QUICK DETACH AND LOCKABLE FAIRING

Enjoy excellent wind protection, good looks, premium stereo sound, the flexibility to strip your bike back to its barebones in seconds and the peace of mind that comes with a barrel key lock. Attachment is simple; Dead Center Cycles' innovative mounting brackets (patent pending) easily guide the fairing into the docked position quickly and easily without the need for tools. Treat yourself to the best of both worlds—full touring comfort and the stripped down look you bought the bike for in the first place.

- Available in Full Stereo and Stereo Ready versions
- Attach and detach in seconds without tools
- Utilizes stock, quick-detach windshield mounts
- Premium fiberglass construction using a special resin transfer molding process
- No need for paint: the outer finish is a polished, gloss-black gel coat
- Corrosion-resistant: all mounting hardware is polished stainless steel
- Latches automatically when attached and locks with the turn of a key
- Easy electrical: wiring harness comes with full set of instructions and thumb release connectors
- Compatible with many Harley-Davidson® and aftermarket fairing accessories, including current, three-hole pattern windshields, windshield trims, pouches, etc.
- Fits Road King, FL Softail including Heritage Softail, Deluxe and Fatboy models with quick detach windshield hardware

HARLEY-DAVIDSON	Year	Full Stereo	Retail	Stereo Ready	Retail

WINDSHIELDS

SWITCHBLADE®: POLYCARBONATE STRENGTH

10X Greater Impact Resistance than High-Impact Acrylic!

20X Greater Impact Resistance than Typical Acrylic!

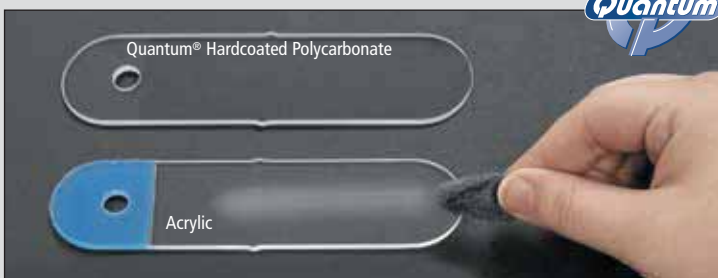

Quantum® Hardcoated polycarbonate (left) resists damage from a ball-peen hammer applied at full force. However, an acrylic shield (right) easily shatters into sharp slivers.

SWITCHBLADE®: QUANTUM® SCRATCH RESISTANCE

10X Greater Scratch Resistance than FMR Coating!

30X Greater Scratch Resistance than Typical Acrylic!

Quantum® hardcoated polycarbonate (top) resists abrasion – even from steel wool, while acrylic material (bottom) scratches very easily.

Acrylic Quantum® Hardcoated Polycarbonate

Quantum®: The New Benchmark

30X more scratch resistance than typical acrylic windshields is saying a lot! Think of it as 30X more miles per windshield. Quantum® even has 10X better scratch resistance than the FMR hard-coating used by most manufacturers! That's the kind of performance, strength and durability riders need from a motorcycle windshield!

Glare-Free Optics

Think about riding into the sun or at night and not having to look through the glare of fine scratches that eventually show up on your screen. Quantum® hard-coating gives your windshield much better optical definition and clarity, and your windshield will stay that way a lot longer.

SWITCHBLADE®: ONE MOUNT, FOUR SHIELDS, ZERO TOOLS!

ON AND OFF IN LESS THAN 5 SECONDS!

How Do SwitchBlade® Windshields and Mount Kits Fit Your Bike?

Each SwitchBlade® windshield and mount kit is model-specific. These are not "universal" fitments that work fine on some models and work poorly on others. When you order the mount kit and any SwitchBlade® windshield for your model bike, you can be sure it will fit like it was custom made for your bike—because it was!

How to Select the Correct SwitchBlade® Windshield and Mount Kits to Fit your Bike

1. Determine your motorcycle's make, model and year.
2. Choose the appropriate SwitchBlade® Mount Kit (see application chart on page 354).
3. Determine what style windshield best fits you.
 - Consider your height and saddle position
 - Determine your riding habits: Daily commutes? Long trips? Weekend rides?
 - Do you want maximum protection? A sporty look? Or a combination?
4. Pick the appropriate SwitchBlade® 2-up, Chopped, Shorty or Deflector windshield.

Still can't decide? Choose two or even all four of the SwitchBlade® shields. With the Quick Release SwitchBlade® Mount Kit, you can change your windshield as quickly as you change your mind.

NATIONAL CYCLE® WAVE QR FAIRINGS AND MOUNTING KITS

Innovative quick-release fairings...more than just a windshield!

The stylish Wave QR Fairing will give your motorcycle one big attitude. It fits the front end like a glove and features chrome quick release brackets with rake adjustability. The fairing is completely assembled and ready to mount to National Cycle's Quick Release Mount Kit. Patent No. 5732965, 6254166, 6974175.

- Polycarbonate with FMR hardcoat
- Chrome quick release hardware with rake adjustability
- The highly regarded Quick Release Mount Kit is the same as used for SwitchBlade® and Spartan® Windshields
- Mount Kit sold separately
- Three-year manufacturer's warranty against breakage
- Made in USA
- XL model in light tint (screen size requires light tint for DOT approval), all other models in dark tint.

"My National Cycle VStream® Windscreen does just what it's supposed to do – keep wind and rain off me, while looking cool at the same time." – Dave Perewitz, Perewitz Cycle Fabrications

NATIONAL CYCLE® VSTREAM WINDSCREEN

The revolutionary VStream® Windscreen gets its name from the unique shape and dimensional contour designed and engineered into the windscreen. The patented "V" profile helps push the turbulent wind out and away from the side of the rider's head, producing a quieter and more comfortable riding experience for both the rider and the passenger. Designed specifically for each model bike to ensure optimum performance and perfect fit using the O.E.M. mounting hardware. 4.5mm polycarbonate for outstanding impact strength 20x greater than acrylic. Coated with National Cycle's Quantum™ hard coating or FMR hard coating, depending on windscreen shape, for unbeatable scratch resistance. Dark 89% tint reduces glare in bright sun.

- 40% thicker than stock
- Patent No. 7387328
- All FLTR VStream® Windscreens include metal compression limiters that spread the load for long life and durability
- Three-year manufacturer's warranty against breakage
- Made in USA

NATIONAL CYCLE WINDSHIELDS

NATIONAL CYCLE® WAVE WINDSCREENS

Sleek, Stylish, Sexy...It's the new Wave®. Ride it!

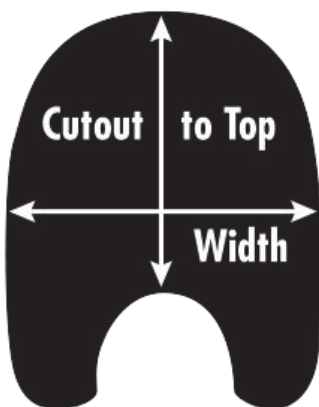

- 4.5 mm polycarbonate for outstanding impact strength 20X greater than acrylic
- 40% thicker than stock
- Quantum™ hard coating provides unbeatable scratch resistance
- Three-year manufacturer's warranty against breakage
- Made in USA

Note: For just about every combination of rider and motorcycle, National Cycle manufactures a quality windscreen. It's important, however, to choose the right height. This 5'10" rider is able to look over the 7.75 in. Wave® Windscreen to see the road ahead at a distance of 50 feet (15.25 meters), which is the minimum distance National Cycle recommends.

NATIONAL CYCLE® SWITCHBLADE WINDSHIELDS

Premium, quick-release hardware is built to last. Just unlock it, grab the shield, and pull it off your bike...no tools required! Stainless steel mount brackets glide easily on and off the stainless steel mount spools. 4.0mm thick Lexan® polycarbonate with 20x more impact resistance than other acrylic or Lucite® plastic windshields. Hardware is made from thick-gauge material with beveled edge detailing and finished in high polish or bright chrome. Exclusive Quantum™ hard coating provides 10-30x better scratch resistance than any other windshield material on the market. Switch your style: four sizes and styles for every bike and any rider, and they all fit your mount kit.

- Key lock is standard on the 2-Up®, Chopped™ and Shorty® styles
- Three-year manufacturer's warranty against breakage
- Made in USA

Note: Mount Kits are sold separately.

**HOW TO SELECT THE CORRECT SWITCHBLADE WINDSHIELD AND MOUNT KIT FOR YOUR BIKE**

1. Determine your motorcycle's make, model and year.
2. Choose the appropriate SwitchBlade Mount Kit (refer to application chart).
3. Determine what style windshield best fits you.
 - Consider your height and saddle position.
 - Determine your riding habits: Daily commutes, long trips, weekend rides?
 - Do you want maximum protection? A sporty look? Or a combination?
4. Pick the appropriate SwitchBlade 2-Up, Chopped, Shorty, or Deflector shield.

Still can't decide? Choose two (or even all four) of the SwitchBlade shields. With the SwitchBlade Mount Kit, you can change your windshield as quickly as you change your mind!

NATIONAL CYCLE WINDSHIELDS

NATIONAL CYCLE® SWITCHBLADE WINDSHIELDS

**SWITCHBLADE® 2-UP®**

- Features maximum wind and weather protection
- Best windshield for long distance touring
- Add a set of Chrome Lower Deflectors and enjoy miles of whisper-quiet riding

KEY LOCKABLE!**SWITCHBLADE® CHOPPED™**

- Like the 2-Up, but with a chopped top and a slimmer waist
- Great wind protection while allowing a clear view over the top
- Excellent choice for shorter riders or cruisers with lowered rear suspension

KEY LOCKABLE!**SWITCHBLADE® SHORTY®**

- Slim profile with aggressive styling
- Abbreviated contours look great on performance cruisers and street rods
- An ideal choice as your "daily rider" in warmer weather

KEY LOCKABLE!**SWITCHBLADE® DEFLECTOR™**

- Keeps wind blast off your chest
- The perfect shield for boulevard cruising
- Features patented Rake Adjust™ for changing windscreens angle

RAKE ADJUSTABLE!

WINDSHIELDS

NATIONAL CYCLE WINDSHIELDS

NATIONAL CYCLE® HEAVY DUTY™ WINDSHIELDS

Available in Wide Frame and Narrow Frame styles to cover a long legacy of years, makes and models. All Heavy Duty™ Windshields (except Beaded Heavy Duty™) are manufactured from Quantum™ hard-coated Lexan® polycarbonate for outstanding strength and superior abrasion resistance. Available in two frame widths and six styles to suit any rider and any Harley-Davidson® motorcycle model as far back as 1949. They feature true classic style with an adjustable center window. Like all National Cycle polycarbonate windshields, they're covered by a three-year manufacturer's warranty against damage.

- Wide Frame Heavy Duty Mount Kits will mount any style of Wide Frame Heavy Duty windshield. Narrow Frame Mount Kits will mount any Narrow Frame Heavy Duty windshield. Use P/N 553001 Triple Holdster for Wide Frame Heavy Duty windshields, P/N 553000 Single Holdster for Narrow Frame Heavy Duty windshields

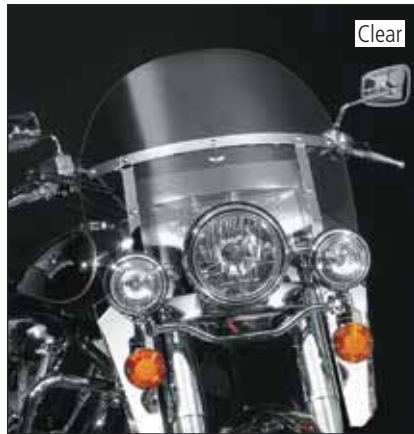

WIDE FRAME HEAVY DUTY™ WINDSHIELDS

Clear

Touring Heavy Duty™

- Ideal for Wide Glide and FL models
- Plenty of height and width for maximum wind protection

Clear

Chopped Heavy Duty™

- Ideal for Wide Glide and FL models
- Low and wide proportions work perfectly with a low seating position

Clear

Black

FMR

Beaded Heavy Duty™

- Made from FMR hardcoated Lexan® polycarbonate
- Classic, nostalgic beaded edge styling
- Bottom sections in Clear or Black

NARROW FRAME HEAVY DUTY™ WINDSHIELDS

Clear

Custom Heavy Duty™

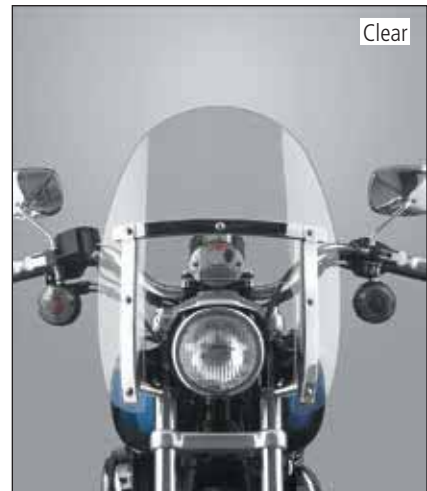

- Ideal for XL and Narrow or Wide Glide FX models
- Touring height with a slim profile, perfect for taller riders

Clear

Low Boy Heavy Duty™

- Ideal for XL and Narrow or Wide Glide FX model
- A cut down version of the Custom Heavy Duty™

Clear

Ranger Heavy Duty™

- Ideal for XL and Narrow or Wide Glide FX models
- Super slim profile for an aggressive and minimalist appearance

NATIONAL CYCLE WINDSHIELDS

NATIONAL CYCLE® HEAVY DUTY™ WINDSHIELDS

HOW TO SELECT THE CORRECT HEAVY DUTY WINDSHIELD AND MOUNT KIT FOR YOUR BIKE

1. Determine your motorcycle's make, model and year.
2. Choose the appropriate Heavy Duty Mount Kit (refer to application chart).
3. Determine what style windshield best fits you:
 - Consider your height and saddle position.
 - Determine your riding habits: Daily commutes, long trips, weekend rides?
 - Consider the width of your bike's forks and what would look best on your bike.
4. Pick the appropriate Heavy Duty Windshield style and model.

WINDVEST WINDSHIELDS

Innovative cross-bar bracket holds the windscreen firmly in place. Chrome-plated billet aluminum handlebar clamps grip the windshield securely in place without damaging the handlebars. Front flat surface, 2 in. side contours with integrated deflector creates low pressure wind flow, diverting wind away from the chest and head. Quick detachable billet hardware allows effortless installation and removal - easily detaches with two allen bolts.

- Extra thick 5 mm, hand-molded acrylic windshield
- Mounting holes allow easy up and down adjustments
- Designed to follow the bike's fork-line for the perfect look and fit
