BRAIDED AND BLACK VINYL THROTTLE AND IDLE CABLES

- Cables feature polished-chrome fittings, stainless-steel braiding or black vinyl outer casings, tempered-steel inner conduit and an inner nylon liner for smooth operation and long life
 - Braided cables feature outer housings coated with a non-yellowing clear covering for abrasion resistance
 - Available in undersize/standard/oversize lengths for most single and dual cable applications
- NOTE:** Length given is the length of the outer housing only, excluding the elbow.
- NOTE:** Cables will also fit late style Mikuni carbs.

STOCK LENGTH THROTTLE AND IDLE CABLES

BRAIDED AND BLACK VINYL HIGH EFFICIENCY (H.E.) CLUTCH CABLES

- Low effort, maximum efficiency cable design meets or exceeds all OEM specifications for fitment, construction and endurance requirements
- Cables feature chrome-plated fittings, stainless-steel braided or black vinyl outer casings, tempered-steel inner wire and a nylon inner sleeve for smooth operation
- Braiding is coated with a non-yellowing clear coating for abrasion resistance
- High-performance cables use the latest technology of longitudinally winding the outer housing lengthwise rather than spirally so cable bends in a more natural arc and eliminates spring and compression
- Available in undersize/standard/oversize lengths for most models

HOW TO MEASURE CLUTCH CABLES

NOTE: Late-style cables are measured with the adjuster completely collapsed.

NOTE: Adjuster measured from bottom of cable.

STOCK LENGTH CLUTCH CABLES

CHROMITE® II

POLISHED STAINLESS

BLACK PEARL

**BRAIDED THROTTLE AND IDLE/IDLE-CRUISE CABLES**

- The Industry's highest quality braid in three color choices to complement your bike; Sterling Chromite® II, Black Pearl and Polished stainless, the brightest "stainless" braid on the market
- Braid color and weave match on all Magnum control cables and brake lines
- All fittings are polished and chrome or black-chrome plated
- Crystal clear outer jacket offers exceptional protection against scuffing paint or chrome and will never discolor
- All cables are made with anti-friction inner liners, nylon adjuster inserts, and are factory lubricated for smooth, consistent, long lasting operation
- Meets or exceeds all OE specifications for fitment, construction, and endurance
- Made in the U.S.A.

NOTE: Length given is length of outer housing only, excluding elbows.

NOTE: All pre-96 cables have threaded elbows; 96 and later cables have non-threaded elbows.

STERLING
CHROME[®] II POLISHED STAINLESS **BLACK PEARL**

BRAIDED HIGH EFFICIENCY CLUTCH CABLES

- The industry's highest quality braid available in three color choices to complement your bike; Sterling Chromite[®] II, Black Pearl and Polished stainless, the brightest "stainless" braid on the market
- Braid color and weave match on all Magnum control cables and brake lines
- Coated with a non-yellowing, crystal clear FEP fluoropolymer outer jacket for exceptional protection against scuffing paint or chrome
- Low-effort, high-efficiency cable design meets or exceeds all OE specifications for fitment, construction, and endurance
- All fittings are polished and chrome or black-chrome plated
- Rubber seal in transmission fitting eliminates fluid leaks
- All cables are factory lubricated for smooth, consistent, long-lasting operation
- Made in the U.S.A.

NOTE: Check torque spec on transmission fitting when installing.

HOW TO MEASURE CLUTCH CABLES

NOTE: Late style cables are measured with the adjuster completely collapsed.

GENERAL**PLATINUM SERIES THROTTLE AND IDLE CABLES**

- Barnett cables are smooth-working, long-lasting and are made with the finest components available, making them virtually indestructible
- Platinum Series cables feature a bright, silver-plated braid
- Available with standard nylon-lined, PVC-coated casings in standard diameters
- Made in the U.S.A.

NOTE: Length of throttle and idle cables means length of outer housing only, excluding the elbows and/or adjusters.

STAINLESS STEEL THROTTLE AND IDLE CABLES

- Barnett cables are smooth-working, long-lasting and are made with the finest components available, making them virtually indestructible
- Stainless steel cables with clear coating offer that custom look without the fear of damaging areas that the cables come in contact with
- Available with nylon-lined, PVC-coated casings
- Made in the U.S.A.

NOTE: Length of throttle and idle cables means length of outer housing only, excluding the elbows and/or adjusters.

**BLACK VINYL THROTTLE AND IDLE CABLES**

- Barnett cables are smooth-working, long-lasting and are made with the finest components available, making them virtually indestructible
- Available with nylon-lined, PVC-coated casings
- Made in the U.S.A.

NOTE: Length of throttle and idle cables means length of outer housing only, excluding the elbows and/or adjusters.

HIGH-EFFICIENCY CLUTCH CABLES

- Barnett cables are smooth-working, long-lasting and are made with the finest components available, making them virtually indestructible
- Available in easy-pull high-efficiency design in standard diameters
- High-efficiency clutch cables reduce lever effort by up to 40%
- Available in four styles
- Platinum Series cables feature a bright, silver-plated braid
- Stainless steel cables with clear coating offer that custom look without the fear of damaging areas that the cables come in contact with
- Stealth Series "Black on black" cables feature a black vinyl casing with black chrome elbows and hardware
- Classic black vinyl cables feature a black vinyl casing with chrome elbows and hardware
- Made in the U.S.A.

GENERAL**ARMOR COAT STAINLESS THROTTLE AND IDLE CABLES**

- Cables feature a stainless steel outer housing, tempered-steel inner wire and an inner nylon sleeve for smooth operation and long life
- Outer housings feature a clear, nonabrasive Armor Coat finish
- Available in undersize/standard/oversize lengths for most single- and dual-cable applications

NOTE: Length given is the length of the outer housing only, excluding the elbow.

GENERAL**ARMOR COAT STAINLESS STEEL CLUTCH CABLES**

- Stainless steel weave is strong and looks great
- Clear coating protects chrome and painted surfaces
- Premium chrome fittings
- Choice of standard (CW) cables and longitudinally wound (LW) housing

that will not compress and feel mushy under heavy loads
NOTE: Length given is the length of the outer housing only.

Shown assembled**BYO™ BUILD YOUR OWN™ CONTROL CABLE KITS**

- Available in two styles: stainless steel braid with chrome fittings or black-vinyl with black chrome fittings
- Looks and performance like a factory-made cable
- Build the perfect length every time
- BYO cables are extra long to ensure fitment for most plus-length applications
- Easy installation – route, cut, and assemble in less than 10 minutes
- Makes a great emergency roadside kit for long trips
- Throttle and idle cables make up to a 52" housing length and fit 1996 and later applications
- Throttle and idle kits sold separately
- Clutch cables are low-effort/high-efficiency design and can make up to 80" of total length
- Clutch inner cable fitting pull-off strength of 500+ lbs
- Two-piece clutch cable design fits 1987 and later 5- or 6-speed transmissions models with mechanical clutch
- Black clutch cables include a black boot to cover the adjuster. Adjuster and transmission fittings are chrome plated. Handlebar fitting is black chrome plated
- Use enclosed template to set free or travel length to factory specifications

CLUTCH CABLE KITS

PART #	DESCRIPTION
STAINLESS STEEL BRAIDED KIT W/ CHROME FITTINGS

THROTTLE/IDLE CABLE REPAIR KIT

- Everything you need to replace a broken inner throttle or idle cable
- Long enough to repair most Harley-Davidson throttle, idle or idle-cruise cables
- There is no need to remove the cable housing from the bike to make the repair
- Includes: one pre-lubed 65" inner cable, one throttle twist grip barrel, one idle cable spring and one carburetor double set screw locking barrel with two Allen wrenches
- A must-have item for your tool pouch or saddlebags for those long road trips
- Made in the U.S.A.

NOTE: This kit is a universal/custom fit part, and does not have any exact model application.

PART #	DESCRIPTION	SUG. RETAIL
0650-1586	Throttle/idle repair kit	\$23.95

**CLUTCH INNER CABLE REPAIR KIT**

- Everything you need to replace a broken inner cable on your mechanical clutch
- Long enough to repair most Harley-Davidson clutch cables
- Includes one pre-lubed 100" inner cable, two clutch pins and one pin holder
- A must-have item for your tool pouch or saddlebags for those long road trips
- Made in the U.S.A.

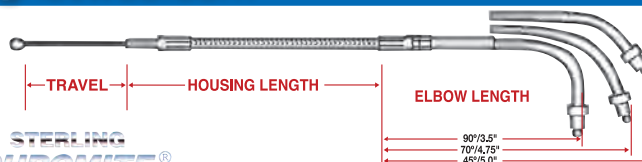

NOTE: This kit is a universal/custom fit part, and does not have any exact model application.
A hammer and a hard level surface is needed to correctly install the transmission end of the inner cable.

PART #	DESCRIPTION	SUG. RETAIL
0652-1984	Throttle/idle repair kit	\$33.95

All part numbers in **BLUE** are new for 2017.

STERLING
CHROMITE®
II

Sterling Chromite II

STERLING CHROMITE® II BRAIDED THROTTLE AND IDLE CABLES FOR S&S CARBS

- The best braid available to complement your bike
- Sterling Chromite® II uses patented technology to look like chrome
- Braid color and weave matches on all MAGNUM control cables and brake lines
- Coated with a non-yellowing, crystal clear FEP fluoropolymer outer jacket for exceptional protection against scuffing paint or chrome
- All fittings are polished and chrome-plated
- Meets or exceeds all OE specifications for fitment, construction, and endurance
- All cables are made with anti-friction inner liners, nylon adjuster inserts, and are factory lubricated for smooth, consistent, long-lasting operation
- Made in the U.S.A.

HANDLEBAR CABLE/BRAKE AND CLUTCH LINE/ WIRE KITS AND COMPONENTS

- Take "cable calculation" headaches out of swapping handlebars
- Individual components for all kits are available as listed
- Made in the U.S.A.

COMPLETE KITS

- Kits include the correct length braided cables, brake/clutch lines and wire extensions to complete a handlebar swap
- Stainless braided kits include throttle cable, idle cable (as required), clutch cable or clutch line, brake lines, chrome "T" brake line junction, banjo bolts, fittings and copper crush washers
- Black vinyl/stainless kits include throttle and idle cables (as required), black vinyl clutch cable or clutch line and brake lines with chrome fittings, banjo bolts and crush washers
- Midnight series kits include throttle cable, idle cable (as required) clutch cable or clutch line brake lines covered in a black smoke tinted coating with pure black fittings throughout; lines appear graphite or carbon fiber in appearance providing that ultra custom look and the black fittings seamlessly blend with blacked out controls and covers on the bike

STANDARD KITS

- Kits include the correct length cables and brake/clutch lines and wire extensions to complete a handlebar swap; electrical wire extensions not included (available separately)
- Stainless braided kits include throttle cable, idle cable (except 08-16 Dressers), clutch cable/clutch line, brake lines, chrome "T" brake line junction, banjo bolts, fittings and copper crush washers
- Black vinyl/stainless kits include black vinyl throttle and idle cables (except 08-16 Dressers), black vinyl clutch cable/clutch line and black stainless brake lines with chrome fittings, banjo bolts and crush washers
- The midnight kits include stainless steel brakes, cables and lines covered in a black smoke tinted coating with pure black fittings throughout; lines appear graphite or carbon fiber in appearance providing that ultra custom look and the black fittings seamlessly blend with blacked out covers on the bike

Sterling Chromite II

DESIGNER HANDLEBAR
INSTALLATION KITS

- The only complete kits with matching braided cables and brake lines
- Kits are available for most ABS and non-ABS Harley-Davidson models with 12" to 20" ape hanger style handlebars installed and Sportsters with drag bars or ape hangers installed
- Kits include throttle and idle cables (except 08-16 Dressers), clutch cable or hydraulic clutch line, brake lines, copper crush washers, hardware and correctly colored wiring extensions (Drag bar kits do not include wiring extensions)
- Two braid color choices to complement your bike: Sterling Chromite® II or Black Pearl
- All fittings are highly polished chrome or black chrome
- All cables are a low-effort, high-efficiency design that meets or exceeds all OE specifications for fitment, construction, endurance
- Kits for dual disc models include an all brazed manifold that eliminates leaks, alignment problems and unattractive threaded connections
- Brake lines exceed all DOT FMVSS-106 requirements
- Made in the U.S.A.

NOTE: Kits are based on using ape hanger style handlebars with 2" risers, except XL drag bar kits which are based on using 4" risers.

Black Pearl

GENERAL**HANDLEBAR CABLE/LINE INSTALL KITS**

- Complete cable/line installation kits for 12", 13", 14", 15", 16" and 18" Burly Ape hangers
- Kits include extended brake line, extended clutch cable/clutch line, extended throttle/idle cables as required and all necessary wiring extensions
- Kits come in black vinyl or braided stainless steel
- Brake lines feature PTFE inner liner and heavy-duty stainless steel outer braid
- Dresser kits reuse stock throttle-by-wire harness
- Made in the U.S.A.

NOTE: Kits are based on using 2" risers with Ape hanger-style handlebars.

HANDLEBAR CABLE AND
BRAKE LINE KITS FOR CLUBMAN BARS

- Kits give you the correct length cables and brake lines you need so you can complete a handlebar swap
- Kits are shorter than stock for bikes using clubman-style or "clip-on" style handlebars
- Kits include shortened single-disc black braided steel brake line, shortened clutch cable, shortened throttle cables and all necessary wiring
- Made in the U.S.A.

CUSTOMS**
Where the custom is!
CABLE GUIDES

- CNC'd 6061 T-6 alloy cable guides with stainless steel threaded insert and hardware help avoid such calamities as pulled and stripped threads from over-tightening
- The large radius on the perimeter of the cable guides flows nicely with your frame; an elegant solution to a common problem
- Available in several bores (1", 1 1/8", and 1 1/4") and cable hole diameters (1/4" or 3/8"-") to solve most needs
- Polished or black electroplate finish
- Sold each

PART #	DESCRIPTION	SUG. RETAIL
