SCOWL

THE SCOWL™ FAIRING EXTENSION

- ABS plastic construction
- Transforms the look of your Road Glide
- Extends the forward look of the fairing and gives it an "angry stare" profile from the front and side views
- Features easy snap-in installation that replaces the stock headlight trim and it can be installed as is, or painted to match your bike
- Made in the U.S.A.

2350-0164

NOTE: To gain the full effect of the fairing extensions, 2009 and earlier models may want to use a 2010-2013 H-D OEM headlight assembly (sold separately).

NOTE: U.S. Patent #4,244,598.
