PEGS & FOOT CONTROLS PASSENGER PEGS: FIXED & ADJUSTABLE

Three Positions For Ultimate Comfort!

ADJUSTABLE PASSENGER PEGS

Give your passenger multiple foot placement options, much like a highway cruise peg for riders. The Adjustable Passenger Pegs bolt onto your bike's existing rear floorboard mount, retaining all functions of the stock floorboards with the added benefit of new higher and farther-forward riding positions. By providing relief from the fatigue caused by the limitations of stock floorboards, the Adjustable Passenger Pegs are a must-have for two-up travelers.
